Connect with Wilson-Hurd a Division of Nelson-Miller at the 2018 Business Expo

Wausau, April 16, 2018 – As part of its Small Business Week, the Wausau Region Chamber of Commerce will be hosting the 2018 Business Expo on Thursday, April 19. Held at the Central Wisconsin Convention + Expo Center in Rothschild, this event is the largest business trade show in Wisconsin with over 300 exhibitors and thousands of attendees. Our company will be exhibiting at booth number 13 in the Expo Center.

A leading company in custom printing, fabricating and electronic control manufacturing services, Wilson-Hurd will be displaying a variety of product offerings including Membrane Switches, Elastomeric Keypads, Touchscreens, Point-of-Purchase Displays, Medical Contract Manufacturing, Nameplates, Dials, Overlays, and Panels. Guests will have the opportunity to review samples of our products and see our capabilities. There will also be employees with expertise in the industry present to answer any questions you may have.

Are you looking for a great company to work for? Wilson-Hurd a Division of Nelson-Miller is currently in the process of expanding its Wisconsin manufacturing operations and has openings in our production team for employees looking to start a new position. We will have employment handouts available during the show providing information on our company. Anyone with interest in our company can apply online at www.wilsonhurd.com/about-us/employment.

If you attend the Expo, you will find us on the west side of the Expo Center, booth 13. Doors will be open to the public from 10:00 a.m. – 5:00 p.m., with free entrance to anyone with a business card. The first 1,000 attendees will receive a complimentary Business Expo tote bag. Hope you will join us at the 2018 Business Expo.

About Wilson-Hurd

Since 1904, Wilson-Hurd has been a proud member of the Wausau community and has served many markets including automotive, industrial controls, medical, telecommunications, appliance, food equipment manufacturers, point of purchase displays and cosmetic industries.
