## Join our team!

At Wilson-Hurd, we pride ourselves on being in the industry for over 100 years. The key to our success comes directly from our talented and skilled workforce. We are continually growing our team and capabilities to meet today's needs. If you want to work for a company that is an established leader in the industry, then look no further.

We are a unique type of manufacturer as every product that we produce is custom-made to the specific requirements of our customers. The processes that we use include custom printing, fabricating, and electronic manufacturing services to produce a variety of products such as nameplates, overlays, membrane switches, touchscreens, and much more.

Wilson-Hurd employees are rewarded for their hard work and appreciate our clean and safe work environment. We offer competitive benefits and salaries, along with the chance for career advancement.
